President's Corner

The club did not have a rally in October, so it was a quiet month with not much going on. We are preparing for the Thanksgiving rally in Salem. The dates for the rally are November 23 through 27 at Hee Hee Illahee RV Park. There currently are 8 coaches signed up for the event and the Apples are driving in from home nearby.

The next rally after Thanksgiving will be the Winter Rally in March in Kelso, Washington.

Next summer, we are setting up a rally in the Grand Coulee Dam area. This rally is going to be at Steamboat Rock State Park. This is a beautiful park, but, being a state park, it is subject to the State Park Reservation system. This newsletter has information for this rally, including a sample registration form for the State Park reservation system and a link for NWCC's separate registration. For full disclosure, the reservation system requires that you pay for your full stay when you make the reservation and charges a fee (\$8-\$10) when you make it or change it and cancellation fees. There is also a non-resident fee of \$5 when the reservation is made. The fees are nonrefundable. Lee Irwin is working with the Park on the specific details. He would like to see early registration so we can get a "loop" for 10 coaches. There should be more information about the rally in this newsletter. Dana and I are looking forward to going to the rally and seeing the area again.

Dues renewal season is coming up and you can renew online through the web site or send the renewal to the Treasurer.

Hope to see you at Thanksgiving in Salem.

Frank Suttell, President
Northwest County Coachers

P.S. Thanksgiving: We have use of the clubhouse for the entire length of our stay. The hosts will prepare the turkey and a ham. Attendees are asked to bring a side dish to share. Contact Barbara Schleuse for a list of items needed. For a change of pace, on Friday night we will try one of the local eateries for dinner.

A Rally at Grand Coulee in September 2017

We are planning a rally for the Grand Coulee area in Washington September 19-21, leaving on the 22nd.

Because reserving spaces *together* in Washington State Parks with no group facilities is difficult, we want to be ready to start as soon as their computer will accept reservations—9 months before we want to arrive. We are asking that all “Coachers” include the Grand Coulee area in your travel plans next September and make a commitment, including payment therefor, by the first of December 2016. You will be able to cancel and get a full refund if necessary.

November’s newsletter will have details on the registration process and an outline of what is available to do in the area. We are planning to stay at Steamboat Rock State Park (great RV facilities). Camp sites are arranged in circles of 10; all are asphalt, 50-foot long with 50A, water and sewer. You can go online and check it out.

Plan ahead and come to unique North-Central Washington. It’s different!

2017 Rally at Grand Coulee WA

Yes, we're still planning AHEAD for the September 2017 Rally in the Grand Coulee WA area at Steamboat Rock State Park! And, reservations are the subject.

Steamboat Rock State Park has great camping facilities, but no GROUP facilities or sign-up protocol. To reserve sites together, we have devised with the following system:

To camp in the Washington State Parks, all reservations are made on a first-selected/paid, first-reserved basis. The earliest that a camper may reserve a site is nine (9) months before arrival. Since our Rally arrival date will be September 19, 2017, the earliest we can start reserving is December 19, 2016, and **we plan to do that for you.**

On the registration form, is a schedule of camping fees and cancellation penalties. It also includes all information that is required to make a reservation in the Washington State Park system. You may go to the web site and complete your reservation or send your park fees and the registration form to Dana Suttell, 3965 Bethel RD SE, STE 1 PMB 32, Port Orchard WA 98366.

Using that information, your park reservation will be made for you. Your confirmation and receipt will be sent directly to you via e-mail by the Washington State Parks and Recreation Commission. If you are traveling with a buddy, tell us who so we can site you together.

If you wish to make your own reservations, **PLEASE** tell us the site you have selected. We will be making all reservations in the DUNE CAMP Loop Sites starting with site 81 [for the Rally Host couple] through 89. We would then go to sites 91 through 95, then 76 through 80. All of these are in generally close proximity. Making reservations yourselves can be accomplished online at www.parks.wa.gov or by phone at 888-226-7688. Brochures can be downloaded at the website too.

In the December newsletter, we will reiterate this information and answer any questions that may be asked. In the spring, we'll publish a program for the Rally and include NWCC's fee for its rally costs. Most of the attractions and all of the Grand Coulee Dam attractions are on a first-come/first-served basis, so this will be an *informal, let's relax rally*.

We look forward to receiving your forms so that we can start reserving on December 19.

NEW MEMBER

Deen Adolphe

Please join us in welcoming **Deen Adolphe**. He resides in Vancouver, Washington, with cats and two grandchildren (ages 16 and 24). Deen's wife, Cindy, of almost 30 years passed away in August from a liver transplant complication. They had reason to hope for a much different outcome, and OHSU (Oregon Health Science University) has experienced only four cases of this type of complication in 21 years and over 1,500 transplants. Deen and Cindy's grandchildren have lived with them for eight years since the passing of Cindy's daughter. When Deen's family hits the road, they travel in style in their 2009, 45-Ft. Magna Vivaldi. If you attend the Thanksgiving Rally in Salem, you will have an opportunity to meet Deen. Submitted by Lee Casebeer

Editor's Note: Deen is an RVillage member. Welcome, Deen.

New RV park opens in Phoenix Metro area

October 21, 2016 in [Campground and RV Park News](#), [LetsRV](#)

CHANDLER, Ariz. — Starting last September, RV motorcoach drivers traveling through the Southwest no longer have to settle for a basic campground when they pull in for the night as the brand new The MotorCoach Resort in Chandler, Arizona, is open and ready for business, a release from the resort stated.

This RV Park is smaller in size, located in a quieter locale just outside Phoenix, and only allows RV motorhomes—no trailers or tents.

More specifically, this boutique RV park features 32 paved spaces on a large eight-acre fully landscaped lot. There are full hook ups for Class A, B or C motorcoaches. Amenities include laundry, showers, bathrooms, picnic area, dog walking areas, 24 hour patrol security service and free Wifi.

The MotorCoach Resort is located near the following attractions, Gila River Casinos, Whirlwind Golf Club, Sheraton Resort & Spa, Wildhorse Pass Motorsports Park, Love's Travel Stop, the Phoenix Premium Outlets, Chandler Fashion Center and the Shops at Casa Paloma, among many other area attractions. The MotorCoach Resort was built with the luxury RV user in mind who values these first-class amenities surrounding the resort.

The MotorCoach Resort is owned and operated by its adjacent development RV SuperStorage, a Class A RV storage facility. The amenities at RV SuperStorage will also be available to folks coming to stay at the MotorCoach Resort, including propane, reverse osmosis RV wash, and an on-site RV repair company, RV SuperService.

Guests are encouraged to make their reservations now at:

FMCA DIRECTOR'S NEWS

Free Camping!

As with anything free, there is always a catch. The catch here is that you must be willing to be an alternate delegate at the 96th International Convention Governing Board meeting being held in Indianapolis, Indiana, from July 12-15, 2017. The meeting itself will take approximately eight hours of your time. This is a voting year where you will have a chance to vote for your new association officers plus any other business that comes before the Governing Board.

Kathie Balogh, NWA President, has reserved 15 full hookup sites at the FMCA campground on Round Bottom Road in Cincinnati, Ohio, following the convention. The dates reserved are: Leaving Indianapolis on July 16 and leaving the campground on the 19th. Mileage from the convention to Cincinnati is 108 miles.

We will have use of the kitchen and dining room during our stay, plus we will have a tour of the main office on Clough Pike where you can meet the staff and see your Association in action. As I said, camping is free to you as each FMCA member is entitled to two days a month free any time you wish to use it, plus the Area will pay for the third night just like we do for our Area meetings.

If you are planning on being in the area, please let me know ASAP so your spot can be reserved. If you have any questions as to what is expected during the meeting, don't hesitate to contact Don Schleuse.

FMCA Announces New Executive Director

Family Motor Coach Association, an international organization for motorhome owners, has announced the promotion of Chris Smith to the position of executive director/chief financial officer effective immediately. Mr. Smith joined the association in August 2013 as director of administrative services/controller.

Mr. Smith graduated from the University of Cincinnati with a bachelor's degree in accounting. Prior to coming on board at FMCA, he served as assistant controller for a Cincinnati-based company for several years.

"We are excited to have an experienced staff member take the reins at FMCA," said FMCA national president Charlie Adcock. "During his tenure with FMCA, Chris has become a valuable asset. He has developed an in-depth knowledge of FMCA and the RV industry and has played a key role in the recent membership growth FMCA has been experiencing. We look forward to having him serve in this new leadership capacity."

"I'm honored to be taking on this new leadership role," Mr. Smith said. "Exciting things are happening at FMCA, and my goal is to keep the momentum going and continue to build on FMCA's legacy as the best organization for motorhome owners. We'll be looking for new ways and opportunities to serve the needs of RV travelers. I'll be attending the upcoming National RV Trade Show in Louisville, Kentucky, and look forward to connecting with industry representatives there."

The membership of Northwest Country Coachers chose Base Camp 40 as their charity for 2016. You can find more information about this fine organization on their website at www.bc40hunts.com. Northwest CC member Richard Beck has been involved personally with this all-volunteer organization as a fishing guide for our nation's disabled and brave veterans.

We had our personal name plaque made a few years ago and several members have asked where they could get one of these. The design is lasered onto a wood-laminated plaque.

If anybody is interested in purchasing a name plaque for \$60, we would have them done at cost and donate \$22 to Base Camp 40.
