President's Corner

I was unable to connect with Fred this month for his "Presidents Corner"

We have one more rally scheduled for 2013 for the 2nd annual Thanksgiving rally at Fairview RV Park in Portland Oregon. And then some of us will be winterizing our coaches and tucking them in for the winter. Those fortunate enough to be able to head to warmer places will soon be well under way to many different (warm/dry) locations. Safe travels for those.

So with that said let's start thinking about our 2014 rally schedule. We have a few already planned but it would be great to have a few more on the calendar so those of us rusting in the northwest will have something to look forward to and we can all plan our calendars. We would like to encourage everyone to consider hosting a rally as the job has been falling on the same people the past couple of years.

I for one am going to host our first rally this year, I've never done one but I think it will be fun and with this group I'm comfortable knowing everyone will be willing to help me.

I am checking into Cannon Beach area in July, the area is beautiful in the summer and there is so much to do that is nearby not to mention the sheer beauty of Cannon Beach.

Some other ideas that have been tossed around are :

Harmony Lakeside RV Retreat on Mayfield Lake, Silver Creek, WA

ColumbiaSun RV Resort located in the Tri-cities area of Washington, this one is in Kennewick

Moses Lake, WA

Fidalgo Island, WA (Anacortes)

So if you have been to a RV park that you think would be a great location, please submit your ideas to any one of the board members, even if your not comfortable hosting it.

On behalf of the club we wish everyone a wonderful holiday season, lots of overeating of turkey, festive family gatherings, good times with friends and maybe a little something under the tree from Santa.

We wish everyone safe travels, minimal repairs and good health. God-Bless you all.....Teresa Robbins

GUIDE DOGS RALLY.....SUBMITTED BY SARAH GABEL

NWCCers met at Portland-Fairview RV Park beginning on Thursday, September 26 , 2013 for our "Guide Dogs" rally. The club furnished soft and hard-shell tacos with all the fixings for dinner accompanied by pound cake with blueberry sauce and whipped cream. Rally master Wayne picked most of the blueberries from his yard and Sarah made the sauce.

The rally was a small one but attended by an enthusiastic group. In addition to the rally masters, Phil & Leah Kimball, Al & Ruth Sorensen, Glenda & Vern Serex, and Fred Dent. We were also joined by Kathie & Andy Balogh, the FMCA Northwest Area National Vice President from British Columbia. It was nice to hear some FMCA history as well as future plans directly from our National VP. After fighting Friday traffic and accidents, Fred even arrived before nightfall. We had intermittent rain showers, downpours, some wind, and some nice breaks in the weather. Friday evening, we shared a potluck dinner and as usual, there was so much food but it was all very good.

Folks spent Saturday morning putting together jigsaw puzzles in the clubhouse, shopping, visiting family and friends in the area, etc. We left the RV park a little before 1 PM to travel to the Guide Dog campus in time to get some group photos and be seated in the front row for the 1:30 graduation. Fred talked a bit about our club and our support of Guide Dogs during 2013 and was able to announce that by the end of this year, we will have contributed more than enough to supply harnesses to an entire class of 6 graduates. Each harness costs the school \$350 and they're furnished free to each graduate, so our contribution will really help this non-profit organization.

We returned to the park and shared a Subway sandwich dinner and finalized the silent auction purchases. We collected an additional \$185 which will be forwarded to Guide Dogs. Then we spent the rest of the evening listening to the downpours while we visited.

Sunday continued rainy but the high winds predicted for the area didn't seem to materialize (or else I slept through them during the night) but we gathered again in the clubhouse for a potluck breakfast. Quiche, Mexican strata, biscuits and gravy, fruit and yogurt, banana pancakes, and on and on. MMMMM. Sorry we can't share some of the goodies.

Several folks had long trips ahead of them so most of us had vacated the park by 10:30 or so. We received a very nice thank you note from the Baloghs and it follows:

"To the Northwest Country Coachers Members:

Thank you Sidetracks from

Herb Harris so very much for hosting us at the rally! We appreciate your friendship and support!

Hope to see you all again soon in Yuma, Indio, or Redmond in 2014. Thank you for a fun rally. Safe traveling.

Kathie & Andy"

Gig Harbor Rally

Frank and I want to thank everyone that attended our first Gig Harbor rally. We appreciated all your help and support since Fred was unable to make the weekend and it fell to us at the last minute. We arrived on Wednesday night to get things ready for the group. This turned out to be a large weekend for us with 13 coaches in attendance. Frank had to go to work on Thursday but I spent the morning with Wayne and Sarah Gabel Geo Caching in the harbor. We came back to set up for our first night and welcomed coaches to the park. Judy and Dennis Ness enjoyed time with family in the area at their first event with us. Due to changes in plans we all decided to have a pizza feed that night and enjoyed great pizza and salad from our local Costco. We were discussing plans for Friday since the local restaurant we hoped to dine at couldn't handle us (not our behavior, our numbers 25-30) and a very helpful Bill Paulbitski whipped his smart phone out and had a reservation at the local Mexican place before I could worry about dealing with it! We all broke into groups Friday and took off to see what the Harbor can offer. More caching, lot's of browsing and shopping.

.Frank and Vern Serex found a wooden boat shop and talked their way into the workrooms, while Glenda and I hit the Christmas shop. The best part was the guys had to tour all three floors of the Christmas Shop to locate us. Our dinner that night was great and the restaurant really came through with great service for us which is not easy with a large bunch like us. There was more sharing that night in the clubhouse with another new member Will Damrau and some issues he had with his coach. We also had guests with us on this rally Bob and Suzy Toftdahl. Of course we didn't let them go without convincing them to join us and they and the Irwin's are planning a future event in Eastern Washington that sounds wonderful. Saturday had most of us out on the town again, although there was some football games in there as well. Some headed to Port Orchard for the day, others in the Harbor but we gathered that night for a great Oktoberfest beer tasting and German theme dinner. We really were tight in the club room, but the park was wonderful and closed the laundry room for us so we could stage our potluck there. During this time we had a silent auction running and by the time we closed that we had earned over 300 and counting for Guide Dogs. We did surprise Samantha Serex at dinner that night, the Serex's had arrived late because Sam had her test for her black belt Friday night and passed. We all wore black belts, headbands and arm bands to show our support. Sunday morning we all gathered one more time for a relaxed breakfast potluck before heading home. Frank and I want to thank everyone again for all the help we got all weekend. We never had to clean up or deal with any issues without many helping hands and it was sure appreciated. Thank you Vern for getting pictures and taking the group shot. Can't wait to see how that one turned out with us all trying to stay dry.

VISTA, Calif. -- EasyTurf is scheduled to debut RVLawn, its latest line of artificial turf, at the Recreation Vehicle Industry Association's (RVIA) 61st Annual California RV Show, Oct. 11-20 in Pomona, Calif.

RVLawn is the lush green alternative to the typical RV park dirt and concrete lots.

"Outdoor living with an RV used to mean dry, dusty roads at camper's favorite parks, KOA's and beachside parking lots," said David Hartman, president at EasyTurf. "We have given RV enthusiasts an opportunity for a lush, green lawn wherever and whenever they travel."

RVLawn features EasyTurf's industry-leading synthetic turf cut and rolled for easy transportation. Aside from aesthetic improvements, RVLawn will keep travelers, pets and kids cleaner and more comfortable. EasyTurf looks and feels like real grass, and eliminates dirt and debris from being tracked into the RV.

"We want to give RV lovers the same comforts homeowners have with an outdoor living space to relax in. They can pull in to a campground or RV site, and unroll a beautiful green lawn," Hartman said. "The environment around the RV will be more comfortable and enjoyable, and when it's time to move, simply roll it up and roll out."

RVIA's 61st Annual California RV show will take place Oct. 11-20 at the LA Fairplex. According the RVIA website, this is the longest running and most attended RV show with an expected 20,000 attendees.

For more information about EasyTurf, visit www.easyturf.com.
