President's Corner

We just finished the Mayfield Lake Rally and all went well; there is a wrap up later in the newsletter. A few of the coaches went on to the Northwest Area FMCA Rally in Longview, Washington.

The July Blackwell Island Rally has been canceled. Fred Dent was to host the rally and the turnout was very low so he decided to cancel it.

We are in need of new officers, a President and a Vice President. If you are interested, please let the election committee know. The election committee is Ruth Sorensen, Lee Casebeer and Al Shapiro.

With cancellation of the Blackwell Island Rally, our next rally will be Steamboat Rock Rally in September. Lee and Carol Irving and Suzie and Bob Toftdahl were to be the hosts. With Lee's passing, Dana and I are filling in. There are currently 12 coaches signed up for the rally, so I plan to hold the annual meeting at this rally as it looks like we will have a quorum there.

The meeting agenda will include elections and discussion of charity selection. If you have club business you want discussed at the annual meeting, please let me know. We also will discuss 2018 Rally planning. We have already penciled in two rallies—The Winter Rally in March at Brookhollow RV Estates in Kelso, Washington, and the Great Balloon Festival in September at Wine Country RV Park, Prosser, Washington. Thanksgiving specifics are to be determined. There also is interest in going back to Silverton, Oregon, in late April or early May 2018.

We are looking for a Charity for 2018. I would like to recommend the **Fisher House Foundation**. Fisher House Foundation is best known for a network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving treatment. There is a Fisher House at Joint Base Lewis-McChord (JBML) in Tacoma, and we can give the money directly to the JBML Fisher House. This is yet another way we can support our military.

Dana is having NWCC aprons made for the club. We expect them to be between \$10 and \$15. If you are interested in an apron with the club logo please e-mail Dana and she will put you on the list and keep you up to date on availability.

After the Mayfield Lake Rally, Dana and I went to Vern and Glenda's place in Salem for some work and fun. The work was changing the rear air bags on Vern's coach, and it was another adventure. Vern made Super Jack stands to hold up the coach while we replaced the bags, requiring cutting off a frame mounting bracket to remove the bag. Once we figured out we had to cut off the bracket, the work went fast.

The fun part of the stay was seeing Vern get a Lifetime Achievement Award for his work at Horse Shows. For many years, Vern has been a Ringmaster at the shows and summoned each class of exhibitors and horses by blowing one of his horns (e.g., trumpet, fox horn, or carriage or coach horn). It was fun to see. All of his family was there to see the honor. Here is an interview Vern did a few years ago--"Vern Serex Hornblower Extraordinaire": <https://www.youtube.com/watch?v=bpCeyDktB-4>

CANCELLED

Lake Coeur d'Alene Rally, July 23 – 28

We're sorry to have to cancel this rally that a few of you were looking forward to; however, we did not get enough reservations to make the rally viable. We'll reconsider this destination for another time in the future. Refund checks were mailed the week of June 26 to those registered. Fred Dent

Online Military Exchange to open to Honorably Discharged Veterans:

The Army, Air Force and Navy exchange will start allowing all honorably discharged veterans to shop online (think Amazon, but only cheaper with no taxes). The target start date is Veterans Day, November 11, 2017, but you must register first. Registration begins June 1, 2017. You must call 1-844-868-8672. The Perks of Retirement:

- You know that tingly little feeling you get when you really like someone? That's common sense leaving your body.
- I didn't make it to the gym today. That makes five years in a row.
- I decided to stop calling the bathroom the "John" and renamed it the "Jim." I feel so much better saying I went to the Jim this morning.
- Old age is coming at a really bad time. When I was a child I thought "Nap Time" was a punishment. Now, as a grownup, it feels like a small vacation.
- The biggest lie I tell myself is ..."I don't need to write that down, I'll remember it."
- I don't have gray hair; I have "wisdom highlights." I'm just very wise.
- Teach your daughter how to shoot, because a restraining order is just a piece of paper.
- If God wanted me to touch my toes, He would've put them on my knees.
- Last year I joined a support group for procrastinators. We haven't met yet.
- Why do I have to press one for English when you're just going to transfer me to someone I can't understand anyway?
- Of course I talk to myself; sometimes I need expert advice.

NWCCers Charity for 2017

The Bowmer Society Oregon Shakespeare Festival

At the NWCC Rally in Southern Oregon in July of 2016, attendees were privileged to see some of the “behind-the-scenes” activities at the Oregon Shakespeare Festival (OSF). Besides seeing a play (THE WIZ) in the outdoor theatre, there was a Backstage Tour of all three theaters and an exclusive tour of the new Production Building where the costumes are stored and all the sets are made. Our members were “blown away” by what they saw and were very impressed with all that OSF has and does. After discussions at the Annual Meeting about what our 2017 charity should be, it was decided that it would be the Oregon Shakespeare Festival Bowmer Society.

The Bowmer Society is the education piece of OSF. Through donations to the Bowmer Society, OSF is able to enhance the education of tens of thousands of students every year through discounted tickets and

on-site workshops. In addition, OSF's School Visit Program brings Shakespeare into hundreds of classrooms and communities throughout the West and as far east as Kansas and Arkansas, but mostly in Oregon and Washington.

From its inception, OSF has been a place of learning. Festival founder Angus Bowmer's education mission of cultivating a lifelong love of the art of theatre and the works of William Shakespeare is flourishing as never before due to the generosity of the Bowmer Society.

As Bill Rauch, OSF Artistic Director, says: "Teachers and students are a vital part of our audience. I passionately believe in the power of theatre to change lives, especially young lives."

Donations of any amount are welcome and are fully tax deductible. All funds raised by NWCC will support education programs.

A Rally at Grand Coulee in September 2017

Yes, we're still planning AHEAD for the September 2017 Rally in the Grand Coulee, Washington, area at Steamboat Rock State Park! And, reservations are the subject.

Steamboat Rock State Park has great camping facilities, but no GROUP facilities or sign-up protocol. To reserve sites together, we have come up with the following system:

To camp in the Washington State Parks, all reservations are made on a first-selected/paid, first-reserved basis. The earliest that a camper

may reserve a site is nine (9) months before arrival. Since our Rally arrival date will be September 19, 2017, the earliest we can start reserving is December 19, 2016, and **we plan to do that for you.**

On the registration form, is a schedule of camping fees and [cancellation penalties](#). It includes all information that is required to make a reservation in the Washington State Park system. Send your park fees and the registration form to Dana Suttell.

Using that information, your park reservation will be made for you. Your confirmation and receipt will be sent directly to you via e-mail by the Washington State Parks and Recreation Commission. If you are traveling with a buddy, tell us who so we can site you together.

If you wish to make you own reservations, **PLEASE** tell us the site you have selected. We will be making all reservations in the DUNE CAMP Loop Sites starting with site 81 [for the Rally Host couple] through 89. We would then go to sites 91 through 95 then 76 through 80. All of these are in generally close proximity. Making reservations yourselves can be accomplished on line at www.parks.wa.gov or by phone at 888-226-7688. Brochures can be downloaded at the website.

In the spring, we will publish a program for the Rally and include NWCC's fee for its rally costs. Most of the attractions and all of the Grand Coulee Dam attractions are on a first-come/first-served basis, so this will be kind of an informal, let's-relax rally.

We look forward to receiving your forms so that we can start reserving on December 19, 2016.

Mayfield Lake Rally June 16 - 19, 2017

Harmony Lakeside RV Park

563 WA-122, Silver Creek, WA 98585, (360) 983-3804

Frank & Dana Suttell and Floyd & Joyce Hensley hosted this rally.

Our summer rally at Harmony RV on Mayfield Lake was a great success. The weather was a mixed bag of sun and rain, but a great time was enjoyed by all. There was everything from touring Mt. Rainier, lunch trains and kayaking to just talking with good friends and, of course, a couple of jigsaw puzzles.

Once again, NWCCers fed the world and we all enjoyed meals together. The Hensleys and Suttells provided all the meals for this rally, so we all could relax and just enjoy.

Five of the ten coaches stayed an additional night and then caravanned to Longview with the able assistance of Herb and Pat Harris.

Frank and Dana want to express special thanks to Floyd and Joyce. They have worked with us twice this year on rallies and both were wonderful for us as well as the folks that attended. Everyone appreciated all the work they put in for us.

Thanks to Vern, we have a great group picture of the event in front of the Hick's new coach. The park was also really grateful to our guests, Jerry and Sharon Work. They were able

to alert the park on a potential disaster with the septic system. Due to their help and the quick response of a plumbing team we avoided a much larger problem for the park.

Harmony was great to work with and they told us to come back and enjoy the lake again. Frank Suttell

GREEN CHILI EGG PUFF RECIPE

*Green Chili Egg Puff Recipe
photo by Taste of Home*

Source: <http://www.tasteofhome.com/recipes/green-chili-egg-puff>

TOTAL TIME: Prep: 15 min.
Bake: 35 min.

INGREDIENTS

- 10 large eggs
- 1/2 cup all-purpose flour
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 4 cups shredded Monterey Jack cheese
- 2 cups (16 ounces) 4% cottage cheese
- 1 can (4 ounces) chopped green chilies

DIRECTIONS

1. In a large bowl, beat eggs on medium-high speed for 3 minutes or until light and lemon-colored. Combine the flour, baking powder and salt; gradually add to eggs and mix well. Stir in the cheeses and chilies.
2. Pour into a greased 13x9-in. baking dish. Bake, uncovered, at 350° for 35-40 minutes or until a knife inserted near the center comes out clean. Let stand for 5 minutes before serving.

Yield: 12 servings.

Here's a bit of news for those headed to Glacier NP in the future, it appears there is a new RV park with 102 sites coming to West Glacier. This is good news as the area RV parks are often full in the summer season. Cheers, Herb

MONTANA: West Glacier RV Park Approved **COMMISSIONERS ADD CONDITIONS FOR ROAD SAFETY**

1 - 102 RV Sites
 2 - 25 Cabin Sites
 3 - 25 Guest Cabin Sites
 4 - 25 RV Sites

[Excerpts from article] Glacier Park Inc.'s proposed West Glacier RV Park & Cabin Village won unanimous approval from the Flathead County commissioners on Friday [May 19, 2017].

While the commissioners will not require a new access road to the 178-acre site off River Bend Drive just west of West Glacier, they added a condition of approval that will require GPI to work with the Montana Department of Transportation to

determine if any road modifications are needed at the two busy intersections affected by the development — Going-to-the-Sun Road as it intersects with U.S. 2 and River Bend Drive...

... The commissioners added a condition to require a planned pedestrian and bike path along GPI's property to be a 6-foot paved surface. The path will connect the development to the West Glacier town center.

Another condition will limit the number of dogs allowed per RV to just one. Three dogs per RV had been proposed, but the commissioners said the RV park is in a known wildlife area and close to Glacier National Park...

...GPI's property is designated as a planned community area in the Canyon Area Land Use Regulatory System, the land-use document that guides development in the West Glacier area. GPI's planned community will include the 102 RV spaces and 25 guest cabins, as well as dedicated area for future residential development.

The proposed subdivision lots would be developed in two phases by the year 2021, according to a phasing plan submitted by GPI to the county Planning Office. GPI's proposal required a major land-use review and a major land-use permit in addition to preliminary plat approval.

Wonder how your coach insurance carrier feels about wood burning stoves as an RV accessory? Probably forgettable. Cheers, Herb

April 4, 2017 in [Camping and RV Products](#), [RV Industry News](#)

Washington firm launches wood-burning RV stoves

VASHON, Wash. — Unforgettable Fire, a Washington-based company, launched two small non-catalytic wood stove models that can be used for RVs, tiny homes, boats and other small-to-medium spaces.

Wood stoves have long enjoyed a large popularity as versatile heat sources that can be used for a wide variety of spaces. However, most wood stoves are relatively large and cannot easily be adapted for smaller spaces such as RVs or tiny homes, the release noted.

Unforgettable Fire launched two small wood stove models providing cost-efficient, clean heating solutions for a variety of small and medium spaces. The Unforgettable Fire wood stoves are EPA- and CSA-certified, providing a reliable source of heat, as well as a convenient cook top surface for on-grid or off-grid cooking.

The Kimberly wood stove is designed to heat spaces of up to 1,500 square feet, and can be used for tiny homes, cabins, yurts, boats and RVs. It requires only 6 inches of clearance and only weighs 56 pounds, making it a portable heat source that can be easily used for a variety of spaces. The Kimberly wood stove also features a cook-top surface and optional accessories that can be used for generating electricity, baking and heating water.

The Kimberly is ecologically-friendly, producing only 3.2 grams of emissions per hour, and it has an autonomy of up to 8 hours, making it ideal for overnight heating....

Ohio rest areas do it right for RVerS By Chuck Woodbury

Here is a good idea, basic RV sites with power at rest stops for a modest fee. Much better than Walmart or doing an overnight at truck stops. Why is Ohio the only state offering this service? Cheers, Herb

Rest areas on Ohio's Turnpikes, or Service Plazas as they are formally called, could serve as a good model for rest areas in other states.

An area is set aside for overnight RV parking at eight Service Plazas. I visited two locations: one had a dozen spaces, the other more (maybe 20). In one area a sign said RVs up to 40 feet were allowed. One location had only back in spaces, but another had pull-throughs, as you can see in one of the photos.

There's nothing fancy about this type of "camping," but for a quick stop to sleep and then move on, they're perfect. You simply pull into a designated site, which looks like a long parking space. What is really nice is that 30- and 50-amp service is provided. The areas are lit, and I assume the state police keep an eye out throughout the night.

The cost is \$20 and only one night is allowed. You pay at a self-service machine. It could hardly be easier.

A restaurant, restrooms, gift shop with basic groceries, and gas and diesel fuel are on the premises.

I imagine on a hot, muggy night, a stay in one of these places, with electricity provided, is a hugely welcomed perk for RVerS on the move, who simply need to rest for a night and move on. Sure, Walmart is free, but with electricity provided at the Service Plazas, and the fact that they are sanctioned, I would think many RVerS would opt for staying at a place like this rather than a store parking lot.

A quick look at Google Earth or Google Maps would show the layout for RVerS who needed a pull-through site.

See <https://rvtravel.com/ohio-rest-areas-do-it-right-for-rvers/> for the article and locations of said rest stops.
